The duty, which was organizing the conference and publishing the book (on The Effects of Common Values on European Peace), was given to Marie e.V. and the relevant budget (amount of 3.800 Euros) to be transferred to Marie e.V.’s budget account. This was the other partner’s job at the beginning; but as their partnership had not been validated by their own National Agency, it was decided at the meeting that this job is going to be done by Marie e.V.
